

Ordering your UNE-authorized webcam (mandatory) and whiteboard – To be used during your proctored exams!

UNE Online strives to provide a student experience that is accessible to all students, yet maintains rigor and academic integrity. Accordingly, SPHP uses online proctoring via ProctorU, allowing students to take their exams in a manner that is private and convenient, yet secure. As part of our efforts to maximize security in the testing environment while minimizing disruption to test takers, we require all students to use a UNE-approved external webcam. In addition, students taking exams that permit scratch work must use a UNE-approved whiteboard; no scratch paper is permitted.

Ordering information for the UNE-authorized webcam and whiteboard is provided below. Remember to order these well before your first proctored exam. There is a discount and you will pay reduced shipping if you order them together.

External Webcam (Mandatory for Proctored Exams)

This course **requires** the use of the UNE-approved external webcam for all proctored exams. This webcam comes standard with a USB connection and stand. Should you be using a computer with a USB-C connection, you will need to provide your own USB to USB-C adaptor (not included with webcam purchase). **If you do not use this webcam during your proctored exam session, you will not be able to take your exam, or your exam will not be credited.**

Instructions for ordering UNE-approved Webcam

The UNE-Approved webcam provides a 127-degree wide-angle view of the test-taker and workspace. It is recommended that students order this a minimum of three (3) weeks prior to scheduling your first proctored exam.

Dry-Erase Whiteboard with Marker and Eraser

Some courses permit the use of a dry-erase whiteboard for scratch work during one or more of your proctored exams. No scratch paper is permitted in any SPHP course. If a whiteboard is permitted in your course and you choose to use it, it must be purchased from the following seller.

Instructions for ordering Dry-Erase Whiteboard

TO ORDER, GO TO THIS LINK: <https://yoursciencehub.com/whiteboard-webcam-addons/>

- Review the [Return and Refund Policy](#)

You must show your proctor that your whiteboard is clear at the beginning of your testing session, and you must erase your whiteboard in front of the proctor before disconnecting from your session. **If you do not do this, your exam will not be credited.**

***Note: There is a discount if you order both the webcam and the whiteboard together. Choose “Whiteboard and Webcam Combo.”
