6. Under the Action column, select the **Drop** from the drop-down menu.

- Students can drop with a full refund until the end of day on the first day of the course.
- Students can withdraw with a 40% refund through the first seven days of a course.
- The drop and withdrawal policies are listed in our [Academic Calendar](#).

Register and Add/Drop Classes:

 Use this interface to register or make changes in your schedule by adding or dropping classes for the selected term. If you have already registered for the term, those classes will appear in the Current Schedule section.

To ADD a class to your schedule, enter the Course Reference Number (CRN) into the Add Class worksheet below. If you are unsure of which classes to add, click Class Search to review the course schedule.

To DROP a class, use the DROP option in the pull down list next to the course in the Current Schedule. If no option is listed, then the course may not be dropped at this time.

When add/drops are complete click **Submit Changes**. Classes that have been successfully added to your schedule will appear in the Current Schedule. Courses that could not be added appear under **Registration Errors**. For a complete explanation of errors, click on **Help**.
